

Lake Oswego School District FOUNDATION

LOSD Foundation Is Going Electronic & Going Green!

For the past several years, the Foundation has printed and mailed six newsletters a year to all Lake Oswego households. Beginning with this issue, we will provide monthly, email-only updates through the district's ListServ and reduce the number of printed newsletters

to two per year, in September and April.

The savings in printing and postage will allow us to direct even more money to our classrooms, provide you with more timely information and reduce our global footprint!

Students Pledge to Kick Their Kicker Back to the LOSD Foundation

Anticipating the arrival of their Oregon state tax kicker refunds, on Monday, Lake Oswego High School students Trevor Chase, Forrest Jackson, and Kate Mogentale along with Lakeridge High School students Justin Berman, Caity Clark, and Rishi Rajani presented LOSD principal Bruce Plato, Lakeridge principal Mike Lehman and Foundation President Mary Solares with a symbolic check to signify their intent to donate their kicker checks to the Lake Oswego School District Foundation.

The students have seen smaller classes and more elective offerings this year and wanted to join in the community effort to make sure that continues.

The kicker refund checks will arrive in the mail any day, and represent the largest kicker in Oregon history, amounting to 18.6% of the amount you paid in Oregon income tax. Please consider donating all or part of your kicker checks to the Foundation. It's a great way to ensure that your tax dollars are directed to specifically benefit Lake Oswego schools.
