

To Our Contributors—Thank You!

5,383 families, businesses and organizations made contributions to the Foundation this year. For the year ended June 30, 2011, these contributions and our more than 400 volunteers enabled the Foundation to add additional teachers and programs to the Lake Oswego School District for the 2011-12 school year. We thank all of our supporters who joined in our mission to “Sustain the Tradition of Outstanding Schools in Lake Oswego.”

Now You Can Text for Teachers from Your Mobile Phone!

You can now donate \$10 to the Foundation right from your mobile phone: just text **TEACHERS** to 501501. You'll get a text right back asking you to confirm that you want to make the donation, and once you do, your donation will be logged and a \$10 tax deductible donation will appear on your cell phone bill.

Small donations from many donors are a big help in our mission of hiring the best teachers we can to keep our class sizes small and our course offerings diverse. So tell your family and friends and help Lake Oswego schools remain the best.

THANK YOU TO OUR REALTOR PARTNERS

THANK YOU FOUNDATION!

"As the proud parent of two adorable daughters that have benefited from Lake Oswego schools, I want to thank the Foundation for all the support they provide. We've had a great experience as both my eldest daughter, a junior at a wonderful east coast university and her sister, a senior at Lake Oswego High School, have been the recipients of fantastic opportunities to excel academically. They were also able to enjoy the many rewarding athletic and extracurricular activities that are available in our district, and the Foundation helps make this possible.

As a local realtor for the last 20 years, I've worked with families from out of town as well from the Portland area that choose to live in Lake Oswego because of our excellent schools. Our schools help the entire community remain vibrant and beautiful. My experience also tells me that they keep our property values up, even in these challenging economic times.

When my daughter graduates from Lake Oswego this spring, I'm really going to miss going to all those great school events, although most likely, I'll still be seen at an occasional football game—they are fabulous community events! And, even after my youngest has graduated, the Foundation can count on my continued support."
