

Lake Oswego School District FOUNDATION

INVESTING IN TEACHERS

Investing in Our Community by Investing in Teachers

We all know the value of an education. Lake Oswego is known for its great schools, its great teachers, the natural beauty of the area and its overall great draw for living here. Part of this is a blessing of nature, the rest is made by man and planned and provided for by folks like you and me.

We make a difference. The Lake Oswego School District Foundation has proven this for many years now. Parents, local residents and businesses have partnered to support the schools by raising money to fund teachers and keep programs that have made the difference. We can be proud that our schools are and continue to be the best in the state. Our kids are prepared to excel and then to continue on to whatever the future holds for them. They are our future and will become the leaders of tomorrow. What better investment can you make?

Better schools translate into better home values and better business opportunities. I have become more aware

Dale Rhoney, DDS
President, Lake Oswego Chamber of Commerce; Past President, Lake Oswego School District Foundation, 1997–1998

of this as time has gone on. As a resident of Lake Oswego for over 30 years, I have seen us grow and prosper. I have witnessed the hard work that our school administrators and teachers do; I have watched as one City management team replaces another; I have seen the old replaced with the new, the traditional upgraded and refurbished, the parks and open spaces developed for our citizens and the future is still bright.

As a past president of the Foundation Board, a past chair of the District's Phonathon and currently, President of the Lake Oswego Chamber of Commerce, I have become more aware of the connection that business and schools have. Businesses need to support our schools just as parents do. Of course, many businesses are Foundation supporters

now. All of us should be. I invite you to participate as one of Lake Oswego's best. It is an investment in you, your business, our schools, our community, our children and **our future.**

The Foundation Thanks Retiring Board Members and Welcomes New Ones

Every year, the Foundation Board undergoes some change as existing members leave the Board and new members join. Board members serve up to three two-year terms. They are chosen from community members, who go through an in-depth application process each spring.

The Foundation is grateful to the community, not only for its generous gifts of money to pay for teachers but also for its gifts of time. Board members are just 30 of the well over 400 people who give thousands of hours every year.

This year, we recognize seven Board members that are retiring—Ed Buchman, Tracy Dudek, Mary Giering, Steve Holwerda, John Lautze, Anne Myers and Eliot Spindel. They have served in many capacities, with a combined total of nearly thirty years of service.

We also welcome eight new Board members—Kevin Faris, Linda Ganzini, Brad Hart, David Kabaker, Sally Moncrieff, John Stirek, Jeff Thede and Charmain Vigfusson. We look forward to working with them.

Lake Oswego School District Foundation

Our Mission—To sustain the tradition of outstanding schools in Lake Oswego.

Our Goal—To reduce the student-teacher ratio by hiring additional teachers. Since its inception in 1993, virtually all donations raised by the Foundation have been dedicated to funding teaching positions and reducing class sizes.

From the President...

The Foundation's message—Investing in Teachers—rang true once more with another record-breaking year. Contributions to the 2006-2007 campaign reached \$2.1 million. When I joined the board five years ago, contributions were about \$500,000. We can all take pride in this amazing success. Last year, the percentage of parents contributing went up in most of our schools. In one elementary school alone, contributions increased from 46% of families to 71%! Incredible! This year we are hoping that the percentage of participating families at each school continues to climb.

Providing the kind of educational opportunities we want for our students requires a combination of both public and private funding, and the Foundation's efforts have become increasingly vital to the district's ability to sustain teaching positions. We are fortunate to live in a community where individuals, families and businesses work together and give generously to the Foundation. Through this combined effort, and with the funds you've contributed, the School Board and Dr. Korach have been able to make improvements for the 2007-08 school year that benefit every student in our schools:

- Keeping all of our existing teaching positions
- Adding teachers in all schools
- Providing smaller class sizes at all grade levels
- Adding high-quality electives in our secondary schools
- Adding sections to some of our most popular classes
- Funding reading & math specialist support in all elementary schools

We have a very professional, creative and hard working board that consists of 30 volunteers who all have children in our schools. Many of our committees have been meeting throughout the summer. Your Foundation Board, along with a legion of parent volunteers, is undertaking many important efforts this year:

- Co-sponsoring the All-Alumni Bash
- Pursuing community partnerships with realtors and businesses
- Hosting our winter luncheon
- Conducting our annual Campaign/Phonathon
- Developing the Planned Giving Program

I hope you take a moment to enjoy this newsletter. I look forward to the coming year and to advancing the growth and success of the Foundation. I encourage you to join us in our 21st year of raising funds to support excellence in our schools.

Sincerely,
Mary Solares

Foundation President, 2007–08

First-Ever Lake Oswego School District Alumni Bash Draws Hundreds

The evening of August 18 was breezy and even a bit cool but that did not deter about six hundred alumni from Lake Oswego and Lakeridge High Schools who gathered in Millennium Park for the first-ever Alumni Bash. Alums from six decades—the 1950s right up through 2007—filled the park, accompanied by spouses and children. Many live in the area but there were many others who travelled to rejoin their classmates.

There is "...tremendous momentum going," observed Foundation Board member Barbara MacIntosh. "It was a wonderful turnout and a well-planned event that everyone attending obviously enjoyed."

Big Blind, a blues and rock band made up of District staff, provided music for listening and dancing. Yearbooks and other memorabilia were available to rekindle the memories. Lake Oswego restaurants and wineries brought the food and beverages. The planning committee, who spent months organizing the event, deserve special thanks. Committee members are: Don Burdick, Kelly Calabria, Pamela Cook, Liz Denecke, Cap Hedge, Candee Mum, Jena Novotny, Chip Pierce, Jennifer Pierce Zahniser, Mary Puskas and Pete Stidd.

Alumni now have a website, www.losdalumni.org, on which they can register as Alumni Association members and keep up with classmates.

Top right: Bash attendees mingle and check out memorabilia in the booths lining the Park.

Bottom right: Lake Oswego Alum, Sandie Bunnell, Class of '64, and Carol Church, Class of 61, are all smiles as they reunite. Photos by Jonn Lariviere.

A New Twist On an Apple for the Teacher

Most of the time we don't really think about eating fruit as being anything but healthy and delicious for the person who eats it. We don't expect that it is something that we can do to benefit the community. New Seasons Market, in the Mountain Park marketplace, feels differently. As part of their policy of being actively involved in the community, they agreed

NEW SEASONS
MARKET

to donate a portion of the proceeds of sales of apples to the Foundation, in addition to having collection bins for returnable

bottles and cans. In the fiscal year that just ended, New Seasons has donated

\$8,559.15 to the Foundation, the majority from fruit sales. That apple a day does more good than we knew!

Thank you New Seasons.

To Our Contributors—Thank You!

More than 3,300 families, businesses and organizations made contributions to the Foundation during its 21st year of operation. For the year ended June 30, 2007 these contributions and our more than 400 volunteers enabled the Foundation to add additional teachers and programs to the Lake Oswego School District for the 2007-08 school year. We thank all of our supporters who joined in our mission to *“Sustain the Tradition of Outstanding Schools in Lake Oswego.”*

For our children, our schools
and our community

Last year, through the generous contributions of the Lake Oswego community, the Lake Oswego School District Foundation raised \$2.1 million dedicated entirely to funding teacher positions and reducing class sizes. Your gift to the Foundation enables our school district to provide quality education for our children, and their future.

Sustaining the Tradition of Outstanding Schools in Lake Oswego
